

## How to generate a Degree Tracker Summary Report

- Log in to OPUS and click the "Academic Progress" tile
- Click "Degree Audit/Degree Tracker" on the left toolbar
- Once the report loads, click the "Summary Report" button near the top of the page.

The report will look something like this:

| DEGREE TRACKER<br>Advisement Report<br>For                                       | RACKER<br>It Report  |      |       | Page 1 of 1<br>Prepared on |      |  |
|--|--|------|-------|----------------------------|------|--|
