Academic Honors Program

The Emory College Academic Honors Program encourages scholastic excellence by inviting outstanding students to participate in a concentrated and rigorous program of academic inquiry surpassing the expected undergraduate requirements and performance.

HONORS

Represents successful completion of the program.

HIGH HONORS

Indicates exemplary performance and the completion of a thesis of appropriate quality for oral presentation to scholars in the candidate's field.

HIGHEST HONORS

Signifies meritorious academic achievement, culminating in the oral presentation of a thesis considered worthy of publication.
